

UNIVERSITY HEALTH SERVICES

#	Initiative Name	End Date	Status	Current Status	FY16 Q1 Status Update (Jul - Sep)
1	Student Health Mandates (e.g., Wellness Referendum and UCOP mental health funding requirements)	6/30/2016		In Progress	Wellness Fee Initiative Advisory Committee began meeting this summer. UHS implemented extended hours on Sundays and select evenings, starting September 14, 2015. New hours will be evaluated in November. Through a UC Office of the President mandate, University Health Services will receive additional funding for mental health professionals to reduce wait times for services.
2	2016 SHIP Renewal	5/7/2016		In Progress	UHS has launched this year's Student Health Insurance Advisory Committee and also will be seeking input from campus and student government stakeholders regarding the renewal of the Student Health Insurance Plan.
3	Succession Plan	1/15/2016		In Progress	UHS is conducting a talent assessment to assist with succession planning.
4	Primary Care Team Based Care Initiative	12/30/2015		In Progress	UHS is reorganizing Primary Care into a team-based care model that will distribute resources to meet student demand and comply with external accreditation standards. Significant progress has occurred, appropriately reassigning tasks and training staff.
5	Collaborative Care Model (clinical practice changes)	1/15/2017		In Progress	Conducting planning to integrate mental health and health coaching into the primary care clinics to increase access for a broad array of students and to improve the quality of care and the student experience.
6	UHS Space Renovations	1/15/2017		In Progress	Renovated Tang Center space to support expansion of student mental health services. Currently in planning phase of Primary Care expansion to support integration of mental health providers into the clinics (collaborative care model).
7	Stable Funding Model	2/1/2016		In Progress	Developing a stable funding model for UHS, including work with external consultants and additional internal forecasting.
8	Implement Public Health Expertise	Ongoing		In Progress	Providing public health expertise and leadership to campus wellness initiatives. Current undertakings include a campus nutrition policy.
9	Implement Health Expertise to Drive Campus/Systemwide Risk Initiatives	Ongoing		In Progress	Providing health expertise and consulting services to drive campus and system-wide risk initiatives in the areas of sexual violence, alcohol and student mental health. Alcohol prevention efforts are focusing on large parties while sexual violence efforts are focused on prevention, coordination of services and campus policies.
